

MULTICOLOR – SON MIEUX

Whoehoeohoeohoe, whoehoe

Waking tonight from a dream black and white

To a life in multicolor

Polarized lights, flash and open my eyes

To a world that's undiscovered

I see you, I see me like a lost memory

That's appearing out of the blue

All is new, that I see, now I truly perceive

There is more than I ever knew

In this view

I see all the colors in you

In this view

I see all the colors in you

The rhythm of the street looks like music to me

It's a sound -that I ain't ever seen before (ca+ms2+s2: ever seen before)

Had to hear it to receive it

Had to see it to believe it

-Had to lose it to know what I was looking for

I see you, I see me like a lost memory

That's appearing out of the blue

All is new, that I see, now I truly perceive

There is more than I ever knew

In this view

I see all the colors in you

In this view

I see all the colors in you

Multicolor

Multicolor

Multicolor

I see all the colors in you

Watching as the night turns to morning (ca+ms2+s1+s2: oehoehoe, aahaa)

The temporary tones of the sky

-Remind me that we're always evolving

Nothing's ever black and white

So it's you and I, and it's all
